CICS is continuing its partnership with Scarborough Centre for Healthy Communities and their Interprofessional Primary Care Team (IPPC). This partnership brings primary care services to our IRC office on 2330 Midland Ave one day a week on **Thursdays starting February 6, 2025.**

The Scarborough IPPC provides patients with access to a coordinated team of health care professionals. The goal of our team is to strengthen integration of primary care services to improve the patient experience, and to meet the needs of vulnerable patients with complex healthcare requirements.

No family doctor? You can receive primary care from our health professionals by calling 416-847-4165 to book an appointment.

The IPPC Team includes nurse practitioners, registered nurses, social workers, mental health case workers, harm reduction workers, registered dietitians, foot care nurses, chiropodists, physiotherapy and occupational therapy.
